# Hanover Christmas Committee

40 York Street, Hanover, PA 17331

Dear Friends,

Santa's Cabin was busier than ever last year, welcoming 2,300 children from all across the globe - Santa greeted visitors from Hawaii and Brazil! The Christmas Committee prepared the cabin and decorated the community as we opened the doors to all visitors for the first time since 2019. We could not contain our excitement for Santa's safe return to Center Square. This year will be just as exciting as we present all the Christmas traditions the community loves.

Every year we look to the community to help us decorate the town, hang festive lights, produce family-friendly holiday events, and bring Santa and his Cabin into town. This year will be no exception! We are committed to presenting an authentic Christmas experience for the Hanover community every year.

## **New Christmas Pole Decorations for Hanover!**

For roughly 50 years the star and green tinsel decorations have adorned the poles throughout the community. These decorations are in need of replacement. The Hanover Christmas Committee continues to make great strides in beautifying the town for the holidays. We see the replacement of these pole decorations as the next major step in making our town the best in can be during the holiday season.

To purchase new pole decorations, we have launched a capital campaign to fundraise the estimated \$75,000 needed to purchase new decorations. We hope these new decorations will enhance the Borough of Hanover for the Christmas Season beginning in 2023. As we fundraise for this campaign, we know donations will be still needed for our regular seasonal activities, but we hope you will consider supporting both efforts this year.

Thank you in advance for your interest in supporting this important tradition, we appreciate your time and consideration!

Sincerely,

Hanover Christmas Committee
