

2023-2024 SPONSORSHIP PROPOSAL **EVENTS & PROGRAMS**

ABOUT MAIN STREET HANOVER

The mission of Main Street Hanover is to expand the economic capacity of downtown Hanover, thus improving the business environment, enhancing the quality of place, and increasing community synergy for everyone.

Main Street Hanover (MSH) launched in January 2013 as a collaborative effort between Hanover Borough, Hanover Area Chamber of Commerce, Partnership for Economic Development of York County, and York County Economic Alliance. Following the Main Street Four Point Approach® of Organization, Design, Economic Restructuring and Promotion, the community has embraced the revitalization movement.

Main Street Hanover applied for and received 501(c)(3) status in October of 2018, thus launching a new chapter for the effort. Now as a stand-alone non-profit organization locally run by an appointed board of community leaders, we can maintain our partnerships while focusing on expanding our impact in the downtown Hanover district as well as adjacent areas.
